Student Council candidates

A Busy Start to the Year

Dear parents,

We have had a great start to the academic year at Belgrave. The students have all been working hard in class and the returning students have made the new pupils feel welcome. Our community is bonding well and the students are establishing their daily routines.

Elections took place last week for the student council, which the students were very enthusiastic about. The students have also enjoyed

participating in Student of the Week. It has been wonderful to hear so many nice comments made by students about their peers.

Venue magazine will feature an article about Belgrave in its next issue. The article is a chance for us to share information about the school for prospective parents.

Please feel free to contact me if you have any questions.

Student News

On Wednesday 16th September 2009, we held the first student council elections. Oscar Bailey, Joshua Wrixon, Matt Maggs, Aaron Webb, Georgina Samson, Amelia Breen, James Dibiasi and Jack Browning (pictured above) all wrote speeches and delivered them to the student body. The speeches were well prepared and all the candidates should feel very proud. Four students were elected to the student council: Aaron Webb, Matt Maggs, Georgina Samson and Amelia Breen. These students will run student council until January when we will hold

elections again to give other students a chance to run and sit on the council. The council will begin meeting weekly to discuss issues within the school and will participate in planning activities for the student body. We think it will be a great opportunity for students to develop leadership skills and take an active role in running the school.

Reminders:

- Fridays are non school uniform day
- P.E. is on Wednesdays. Please ensure your child comes with their sports kit
